INFORMATIONAL BULLETIN FY82-24

TO: All Motor Fuel Use Taxpayers

SUBJECT: Elimination of Schedule "A"

In September, 1981, the Department advised you that a Schedule "A" listing the miles traveled in each state must accompany your IDR-280, Motor Fuel Use Tax Return beginning with the third quarter of 1981.

The Department has now processed the majority of the third quarter returns and has re-evaluated the need for the Schedule "A". Based on our re-evaluation, the Schedule "A" will NOT be required beginning with the fourth quarter of 1981 which is due on January 31, 1982. However, the Schedule "B" WILL still be required.

Due to this change, the mailing of your IDR-280 tax return for the fourth quarter of 1981 may be slightly delayed.

If you have any questions regarding this change, please call the Taxpayer Information Division of the Department. In Cook County, call 641-2159. Other locations in Illinois may call 800-252-8972. Out-of-State taxpayers may dial 217-782-3336.
